Where ya going, where ya going to?
Escaping me, something you can't do
'cause I'm in everything that breathes
People, animals, trees

Ha, Haha, Ha, haha, ha, hahahahaaaa
Oh wo yo yeah yeah

You'll meet me soon, you'll meet me now
We're all connected yeh anyhow
God, I'm giving such a clue
I'm not me, no no, I'm you

Ha, Haha, Ha, haha, ha, hahahahaaaa
Oh wo yo yeah yeah
